1. Names of the Member

| Sl. No. | Name | Roll No. | Signature |
|---------|------------------|--------------|---|
| 1. | Manoj Pentapalli | 240850120075 |  |
| 2. | Mudit Kumar | 240850120079 |  |
| 3. | Sudhanshu Patel | 240850120143 |  |
| 4. | Utkarsh | 240850120153 |  |
| 5. | Vashu Choudhary | 240850120157 |  |

2. Title of the Project

Web Based Quiz Platform

3. Brief Description of the Project

Quiz Management Platform designed to streamline the creation, management, and evaluation of quizzes for students. The Platform allows educators to create question banks, generate random quizzes from these question banks, and compute scores after students attempt the quizzes. This system is ideal for educational institutions, online learning platforms & skill assessments.

4. Software Requirements of the Project

Programming Languages : HTML, CSS, Javascript, Java
Backend Framework : Spring Boot
Database : MySQL

5. Hardware Requirements of the Project

Minimum Requirement : i3 processor, 4GB RAM, Windows 7 or above.
